

East Lampeter Township Parks

Tree Donations Order Form

Township residents may now donate trees for Township Parks and remember a loved one at the same time. October Glory Maple trees will be planted in Flory Park and Lafayette - Tower Park on a first come first serve basis. For a donation of \$400.00, an October Glory Maple tree will be planted and a plaque will be installed under the tree to remember a donors loved one. All Memorial trees and plaques are installed and maintained by Township staff. Trees and plaques will be located along walking paths in the parks. Specific tree and plaque locations will be selected by the Township. Approximately 50 of these kinds of trees were planted in Community Park on Hobson Road with great success. Community Park is now fully planted along Memorial Lane and so this program is being extended to the other Township Parks. Please fill out the donation form below and forward it to East Lampeter Township, 2250 Old Philadelphia Pike, Lancaster, PA 17602. Make check payable to East Lampeter Township.

The plaque size is 8" wide by 4" high. Keep in mind that the amount of verbiage will determine the size of the lettering to be put on the plaque.
