Recreation:

The box was moved by the softball organization. The League is done for the season. The ball fields will be available for scheduling in January.

Kelly Doyle inquired about a dog park at the Community Park. She noticed a lot of dogs off their leash at our parks. She thought the flat flood plain would be perfect for the dog park. Pete Hegeman explained that fencing would not be permitted in a flood plain. Flory Park would be a more likely place as it is still under development. Pete Hegeman advised her to approach a service club for possible funding and to try to organize like minded people to pursue the project.

Grounds:

Tree trimming has started and mowing is still needed. The fall fertilizing is finished.

Buildings and Trails:

Charlie will set up a meeting regarding the lighting at Flory Park to finalize selection of lights.

The exterior of the pump house is 90% complete.

Old Business:

Lee Young and Tara Hitchens showed GIS maps of the township. The board identified several areas for future park consideration.

New Business:

The Township purchased 1.2 acres from Lafayette Fire Company and landscaping will be done next year.

The next meeting will be January 26, 2011.

Motion to adjourn: by Pete Hegeman and seconded by Jim Gustafson at 8:35pm.
