b. Clark Associates Land Development Plan #14-23: 2205 Old Philadelphia Pike

Chairman Blowers asked if anyone was present for this agenda item. Edward Ostrowski was present.

Mr. Ostrowski, Harbor Engineering, is representing the applicant. He introduced the owner and applicant of the property Mr. Gene Clark. He stated that the applicant is proposing to demolish the existing garage at the rear of the property and construct a three story office building and paved parking lot. He stated that they have submitted water/sewer capacity requests to Lancaster City and letters to the emergency service providers and have received some responses. They have also submitted plans to the Lancaster County Planning Commission and Township Engineer and the Conservation District.

He reviewed the David Miller Associates letter dated November 25, 2014 and the technical aspects of the plan. He reviewed the following requested waivers and modifications:

- 1) Request a waiver of the preliminary plan submission requirement
- 2) Request a deferral of the requirement to improve Old Philadelphia Pike to Township specifications
- 3) Request a deferral of the requirement to provide curb along the frontage of Old Philadelphia Pike and within the parking compound area.
- 4) Request a deferral of the requirement to install a portion of sidewalk along Old Philadelphia Pike.
- 5) Request a waiver of the location requirement of the portion of sidewalk that they are proposing to construct to be outside of the street right-of-way.
- 6) Request a waiver of depth of cover over storm sewer pipe in order to alleviate an existing ponding condition.

The Board discussed the deferrals of widening, curbs and sidewalks. Mr. Hutchison stated that the Lancaster County Planning Commission is recommending that the Township enter into a deferral agreement, require financial security and set a time limit of five years for completion of the improvements. Mr. Blowers stated that the applicant posts the financial security and agrees, within the five year time frame, to do the widening and the curbs in exchange for putting the sidewalks in now.

Mr. Buckwalter made a motion to conditionally approve the Land Development Plan #14-23 for Clark Associates: 2205 Old Philadelphia Pike subject to the Township engineer's letter dated November 25, 2014 conditions related to the subdivision and land development and the storm water management; as relates to the waivers, grant #1-related to final plan, grant #2-related to scale, grant #6-related to sidewalks on interior of property, and grant #7-related to cover over stormwater pipe; defer #3-related to widening of curbs along residential property and defer #4-grant waiver of northeast side; denied items #3 and #4 require an agreement between the land owner and the Township to have completed within five years unless there is reason presented to the Township for an extension and requiring the applicant to post financial security for the deferred improvements; move to deny item #5-related to sidewalks along the residential property, which the applicant has agreed to install; and conditioned on Lancaster Planning Commission comments #2-related to trees and #3 related to trash disposal area. Mr. Eberly seconded the motion and it was passed by unanimous voice vote.

Chairman Blowers stated this item is being table until December 16, 2014 Board of Supervisor's meeting.

Other Business:

- a. Authorization to Advertise - SALDO Amendment re: Road Frontage Improvement Requirements

Mr. Hutchison stated that a previous applicant had issues with frontage improvements on subdivision and land development plan. The applicant had asked the Board to consider amending the ordinance. The Board asked the Planning Commission to review those sections in regards to road frontage improvement requirements. Staff and the Township solicitor developed a proposed amendment to the ordinance. The Lancaster County Planning Commission and the Township's surrounding planning partners have reviewed the proposed ordinance. The next step is to ask the Board to advertise the ordinance to be able place on a future agenda for consideration for adoption.

Mr. Buckwalter made a motion to approve the Authorization to Advertise the SALDO Amendment re: Road Frontage Improvement Requirements. Mr. Meyer seconded the motion and it was passed by unanimous voice vote.

- b. Authorization to Advertise - Intention to Appoint CPA to Complete 2014 Audit

Chairman Blowers stated that the Township has been using Weinhold Nickel Associates, CPA's for the Township's annual audit. Mr. Hutchison stated that the Board will appoint them officially at the January 5, 2015 meeting but Township code states that the Board has to place an advertisement thirty days before appointment.

Mr. Eberly made a motion to approve the Authorization to Advertise the Intention to Appoint CPA to Complete 2014 Audit. Mr. Meyer seconded the motion and it was passed by unanimous voice vote.

c. Authorization to Defend Zoning Hearing Board Decision re: 2270 Lincoln Highway East

Mr. Hutchison stated that at the former Arigato Restaurant located at 2270 Lincoln Highway East an applicant is proposing to develop and construct a hotel at the location. The applicant received Zoning Hearing Board approval for height changes under the ordinance. A neighboring property owner has appealed the decision to county court. The choices are for the Zoning Hearing Board to defend its own decision at the county level or have the Board intervene and defend the Zoning Hearing Board decision and then have the option to appeal further beyond county court if needed. The Zoning Hearing Board does not have that option for further appeal.

Mr. Demme asked if the neighboring property was higher than forty feet and if they were given the same exemption. Mr. Hutchison replied yes. Mr. Blowers commented that he hopes that the Township moves in the direction of allowing even greater heights if needed. He stated it is a great way to utilize existing infrastructures and existing facilities.

Mr. Demme made a motion to approve the Authorization to Defend the Zoning Hearing Board Decision re: 2270 Lincoln Highway East. Mr. Meyer seconded the motion and it was passed by unanimous voice vote.

d. Supervisor's 2015 Meeting Schedule

Chairman Blowers stated that the Board has had conversation about creating a more consistent scheduling of meetings in 2015. They are recommending that the Board meet on the first Monday and third Monday of the month instead of the first Monday and third Tuesday. They would like input from the Planning Commission to move their meetings to the second Monday of the month. Mr. Hutchison stated that he will get input from the Planning Commission.

Executive Session: December 1, 2014

Chairman Blowers stated that the Board will be having an executive session after their meeting to discuss ongoing negotiations with the police department regarding upcoming contract renewals.

Public Comment:

Chairman Blowers commented on a concern raised by Mr. Jeffrey Cutler, the elected Township Tax Collector, from the November 10, 2014 meeting in regards to how he was being reimbursed by the Township for the printing and postage of the tax bills. He stated that Mr. Hutchison has sent a letter in response to Mr. Cutler's concern. Mr. Hutchison stated that he received a response today but did not have a chance to review Mr. Cutler's response and provide copies.

Chairman Blowers stated that at the October meetings the Board heard testimony and comments from the public in reference to adopting a property maintenance ordinance for the Township. The recommended ordinance was defeated and the Board has given staff direction to proceed forward in preparing a proposal for addressing the Township's hotel/motel issues. This proposal should be available sometime after the first of the year. Mr. Hutchison stated that he hopes to have a draft for the Board to review prior to that time.

Adjournment:

A motion was made by Mr. Eberly and seconded by Mr. Meyer to adjourn the meeting. The motion was passed by unanimous voice vote. The next regularly scheduled meeting is to be held on Tuesday, December 16, 2014 beginning at 7:30 pm.

Respectfully submitted,

Ralph Hutchison
